

THE US VETERANS HALL OF FAME

DUTY, HONOR, COUNTRY... APPRECIATION

Dear Mission Partner,

Did you know that more than 22 veterans, and as high as 24, are losing the battle to mental health by suicide in our country daily?

Our mission throughout American communities is to increase suicide prevention awareness and access to mental health services benefits and programs for veterans.

Raising awareness on these critical challenges is a big step toward accomplishing our mission. Through community outreach and events, we are able to mobilize our charitable partners and sponsors locally to provide the necessary financial assistance to make a difference.

When we listen to the powerful voices of Veterans as they tell their stories, a light is focused on mental health issues and other challenges that many Veterans face. We can then refocus the light onto a path that they can take to access resources, which lead to a healthier life.

On Saturday May 28, 2022 The US Veterans Hall of Fame (USVHOF) will showcase its first annual "Shine The Light Golf and Social Fundraiser", hosted by the Emerald Lake Golf Club. Fellow veteran advocates, organizations, professional entertainers and athletes, and many of our nation's heroes will be joining us at the event: allowing us to build the bonds within our community, connecting us all to the difficult reality that Veterans experience everyday.

Take this opportunity to support the mission by selecting a sponsorship tier or assisting in program funding. This event truly honors our Veterans this Memorial Day weekend.

All proceeds from this event will go towards the ongoing mental health missions of the US Veterans Hall of Fame, a 501(c)(3) nonprofit organization.

Thank you and we hope to see you at Emerald Lake Golf Social Club.
