Dear Curtis,

At Hospitality House of Charlotte, we aim to provide more than just a place to sleep for patients and families in medical crisis. With the help of our volunteers, staff, donors, and supporters, we are able to create a comforting environment that helps to alleviate the anxiety of being away from home during a difficult time.

We sincerely enjoyed working with you on the Food Truck Support Project to feed guests and affiliates of Hospitality House of Charlotte.

Event Date: May 13, 2020

Meals Served: 148

Total Cost: \$1,911.00

Thank you for helping make our mission possible! Keep in touch and follow us on social media.

On behalf of those we serve....thank you!

Humbly,

Angie
